Committee Reports:

Building:

Pete is still checking on the balast.

Penn Pride still has 98 gallons left on our pre-paid fuel.

Grounds:

The dumpster was here. The clean up went very well including the clean up in the garage.

The logging has been completed. It took less than 2 weeks to cut down the trees. They will be returning to plant some grass seed on the roads up the hill.

We received some stone material from the township. It was used to fill in some of the big potholes.

As far as the parking lot goes we are looking into getting some modified 2A or 2B to be put down and rolled into place. We still need a solution to the runoff water problem. It has been suggested that we slope a gentle gully into the parking lot to filter the water away.

Kelly may have a skid loader on loan for next week.

Indoor:

Kelly needs to start his 3-D indoor schedule and get it posted.

The shooting range really needs a coat of paint this September or October. The paneling needs to be removed or replaced at the same time.

Field:

17 Archers attended our first field shoot. After buying new targets our profit was \$59.00

3-D:

The next shot is this weekend. We still want to order additional new targets.

Activities:

Pete is still checking on the gaming license.

Kitchen:

The machine needs to have more attention paid to it. It ran out of change and soda during the last shoot.

JOAD:

Nothing new.

Web-Site:

It hasn't been touched in weeks. Pete will be updating the calendar and changing the web-site to bring up the main page right away..

Old Business:

Big Brothers and Big Sisters will hold their event August 16th. Rich should be getting the loaner bows for this occasion.

12 new practice targets have been ordered at the cost of \$1495.15. They should be arriving around the 18th.

New Business:

There have been discussions of replacing some board members that haven't been able to attend enough meetings. There will be more discussion about this at the next meeting.

President, Pete Githens called for a motion to adjourn the meeting at 8:50 PM. A motion was made by Kelly Rorhbach and seconded by Joe Petrobone.
